332A.04 EXEMPTION AND REFUNDS.

(a) Exemption. Any person whose total earned income and net profits from all sources within the political subdivision is less than twelve thousand dollars (\$12,000) for any calendar year in which the tax is levied is exempt from the payment of the tax for that calendar year. In addition, the following persons are exempt from payment of the tax:

In the event the political subdivision utilizes a tax collection officer, it shall provide a copy of the exemption certificate to that officer. The exemption certificate shall have attached to it a copy of all the employee's last pay stubs or W-2 forms from employment within the political subdivision for the year prior to the fiscal year for which the employee is requesting to be exempted from the tax. Upon receipt of the exemption certificate and until otherwise instructed by the political subdivision or except as required by subparagraph (2) below, the employer shall not withhold the tax from the person during the calendar year or the remainder of the calendar year for which the exemption certificate applies. Employers shall ensure that the exemption certificate forms are readily available to employees at all times and shall furnish each new employee with a form at the time of hiring. The exemption certificate form shall be the uniform form provided by the political subdivision.
 - (2) With respect to a person who claimed an exemption for a given calendar year from the tax, upon notification to an employer by the person or by the political subdivision that the person has received earned income and net profits from all sources within the political subdivision equal to or in excess of twelve thousand dollars (\$12,000) in that calendar year or that the person is otherwise ineligible for the tax exemption for that calendar year, or upon an employer's payment to the person of earned income within the Municipality in an amount equal to or in excess of twelve thousand dollars (\$12,000) in that calendar year, an employer shall withhold the local services tax from the person under subparagraph (3).

The amount of tax withheld per payroll period for the remaining payroll periods in that calendar year shall be the same amount withheld for other employees. Further, each employer is hereby authorized to deduct this tax for each employee in his or her employ, whether said employee is paid by salary, wage or commission and whether or not all such services are performed within the political subdivision.

(b) A person subject to the tax shall be assessed by the employer a pro rata share of the tax for each payroll period in which the person is engaging in an occupation. The pro rata share of the tax assessed on the person for a payroll period shall be determined by dividing the rate of the tax levied for the calendar year by the number of payroll periods established by the employer for the calendar year. For purposes of determining the pro rata share, an employer shall round down the amount of the tax collected each payroll period to the nearest one-hundredth of a dollar. Collection of the tax shall be made on a payroll period basis for each payroll period in which the person is engaging in an occupation, except as provided in subsection (d) hereof. For purposes of this paragraph, combined rate shall mean the aggregate annual rate of the tax levied by the school district and the Municipality.

(c) No person shall be subject to the payment of the local services tax by more than one political subdivision during each payroll period.

(d) In the case of concurrent employment, an employer shall refrain from withholding the tax if the employee provides a recent pay statement from a principal employer that includes the name of the employer, the length of the payroll period and the amount of the tax withheld and a statement from the employee that the pay statement is from the employee's principal employer and the employee will notify other employers of a change in principal place of employment within two weeks of its occurrence. The employee's statement shall be provided on the form approved by DCED.

(e) The tax shall be no more than fifty-two dollars (\$52.00) on each person for each calendar year, irrespective of the number of political subdivisions within which a person may be employed. The political subdivision shall provide a taxpayer a receipt of payment upon request by the taxpayer.

(f) No employer shall be held liable for failure to withhold the tax or for the payment of the withheld tax money to the political subdivision if the failure to withhold taxes arises from incorrect information submitted by the employee as to the employee's place or places of employment, the employee's principal office or where the employee is principally employed. Further, an employer shall not be liable for payment of the local services tax in an amount exceeding the amount withheld by the employer if the employer complies with the provisions of Section 332A.04(b) and this section and remits the amount so withheld in accordance with this article.

(g) Employers shall remit the local services taxes to the Collector no later than thirty days after the end of each quarter of a calendar year.
(Ord. 3164. Passed 11-26-07.)

332A.06 RETURNS.

Each employer shall prepare and file a return showing a computation of the tax on forms to be supplied to the employer by the Collector. If an employer fails to file the return and pay the tax, whether or not the employer makes collection thereof from the salary, wages or commissions paid by him or her to an employee, except as provided hereafter in this article, the employer shall be responsible for the payment of the tax in full as though the tax had been originally levied against the employer. (Ord. 3164. Passed 11-26-07.)

332A.07 DATES FOR DETERMINING TAX LIABILITY AND PAYMENT.

(Ord. 3164. Passed 11-26-07.)

332A.09 INDIVIDUALS ENGAGED IN MORE THAN ONE OCCUPATION OR EMPLOYED IN MORE THAN ONE POLITICAL SUBDIVISION.

The situs of the tax shall be the place of employment on the first day the person becomes subject to the tax during each payroll period. In the event a person is engaged in more than one occupation, that is, concurrent employment, or an occupation which requires the person to work in more than one political subdivision during a payroll period, the priority of claim to collect the local services tax shall be in the following order:

- (a) First, the political subdivision in which a person maintains his or her principal office or is principally employed;
- (b) Second, the political subdivision in which the person resides and works if the tax is levied by that political subdivision;
- (c) Third, the political subdivision in which a person is employed and which imposes the tax nearest in miles to the person's home.

In case of dispute, a tax receipt of the taxing authority for that calendar year declaring that the taxpayer has made prior payment constitutes prima facie certification of payment to all other political subdivisions. (Ord. 3164. Passed 11-26-07.)

332A.10 NONRESIDENTS SUBJECT TO TAX.

All employers and self-employed individuals residing or having their places of business outside of the political subdivision but who perform services of any type or kind or engage in any occupation or profession within the political subdivision do, by virtue thereof, agree to be bound by and subject themselves to the provisions, penalties and regulations promulgated under this article with the same force and effect as though they were residents of the political subdivision. Further, any individual engaged in an occupation within the political subdivision and an employee of a nonresident employer may, for the purpose of this article, be considered a self-employed person, and in the event his or her tax is not paid, the political subdivision shall have the option of proceeding against either the employer or employee for the collection of this tax as hereinafter provided. (Ord. 3164. Passed 11-26-07.)

332A.11 ADMINISTRATION OF TAX.

(a) The Collector shall be appointed by resolution of City Council. It shall be the duty of the Collector to accept and receive payments of this tax and to keep a record thereof showing the amount received by him from each employer or self-employed persons, together with the date the tax was received.

(b) The Collector is hereby charged with the administration and enforcement of this article and is hereby charged and empowered, subject to municipal approval, to proscribe, adopt and promulgate rules and regulations relating to any matter pertaining to the administration and enforcement of this article, including provisions for the examination of payroll records of any employer subject to this article, the examination and correction of any return made in compliance with this article and any payment alleged or found to be incorrect or as to which overpayment is claimed or found to have occurred. Any person aggrieved by any decision of the Collector shall have the right to appeal consistent with the Local Taxpayers Bill of Rights under Act 50 of 1998.

(c) The Collector is hereby authorized to examine the books and payroll records of any employer in order to verify the accuracy of any return made by an employer or, if no return was made, to ascertain the tax due. Each employer is hereby directed and required to give the Collector the means, facilities and opportunity for such examination.
(Ord. 3164. Passed 11-26-07.)

332A.12 SUITS FOR COLLECTION.

(a) In the event that any tax under this article remains due or unpaid 30 days after the due dates above set forth, the Collector may sue for the recovery of any such tax due or unpaid under this article, together with interest and penalty.

(b) If for any reason the tax is not paid when due, interest at the rate of 6% on the amount of such tax shall be calculated beginning with the due date of the tax and a penalty of 5% shall be added to the flat rate of such tax for nonpayment thereof. Where suit is brought for the recovery of this tax or other appropriate remedy undertaken, the individual liable therefor shall, in addition, be responsible and liable for the costs of collection.
(Ord. 3164. Passed 11-26-07.)

(Ord. 3164. Passed 11-26-07.)

332A.14 INTERPRETATION.

(a) Nothing contained in this article shall be construed to empower the political subdivision to levy and collect the tax hereby imposed on any occupation not within the taxing power of the political subdivision under the Constitution of the United States and the laws of the Commonwealth of Pennsylvania.

(b) If the tax hereby imposed under the provisions of this article shall be held by any court of competent jurisdiction to be in violation of the Constitution of the United States or of the laws of the Commonwealth of Pennsylvania as to any individual, the decision of the court shall not affect or impair the right to impose or collect said tax or the validity of the tax so imposed on other persons or individuals as herein provided.

However, where such documents shall set forth a small or nominal consideration, the "value" thereof shall be determined from the price set forth in, or actual consideration for, the contract of sale or in the case of a gift or any other document without consideration, from the actual monetary worth of the property granted, bargained, sold or otherwise conveyed, which in either event shall not be less than the amount of the highest assessment of such lands, tenements or hereditaments for local tax purposes.

351.03 RATE OF TAX.

Every person who presents for recording any document or in whose behalf any document is presented for recording, shall be subject to pay for and in respect to the transaction or any part thereof, or for or in respect to the vellum, parchment or paper upon which such document is written or printed, a municipal tax at the rate of one percent of the value of the property represented by such document, which municipal tax shall be payable at or before the time of presenting for recording of such document.
(Ord. 1708 § 2. Passed 12-27-68.)

351.04 TRANSFERS BY REAL ESTATE BROKERS.

If the tax due upon the transfer from the licensed real estate broker is greater than the credit given for the prior transfer, the difference shall be paid. If the credit allowed is greater than the amount of the tax due, no refund shall be allowed.

(Ord. 1708 § 3. Passed 12-27-68.)

The City may at any time transmit to the Prothonotary of Crawford County certified copies of all liens for such taxes, penalties and interest and it shall be the duty of the Prothonotary to enter and docket the same of record in his office. This lien shall be indexed as judgments are now indexed. A writ of execution may directly issue upon such lien without the issuance and prosecution to judgment of a writ of scire facias, provided that, not less than ten days before issuance of any execution on the lien, notice of the filing and the effect of the lien shall be sent by registered mail to the taxpayer at his last known post office address.

The lien imposed hereunder shall continue for five years from the date of its entry of record and may be renewed and continued in the manner now or hereafter provided for the renewal of judgments, or as may be provided in the Fiscal Code, as amended.

Council may from time to time provide the methods of collecting this tax and may adopt instructions, additional regulations and policies for administering and enforcing this article. In order to facilitate and expedite the collection of the tax, Council may appoint one or more additional responsible persons as the agent or agents, for the collection thereof. Payment of such commission or other compensation as may be considered appropriate to collection agents, is hereby authorized.
(Ord. 1708 § 5. Passed 12-27-68.)

351.07 TAXABLE, UNSTAMPED DOCUMENTS NOT RECORDED.

The Recorder of Deeds of Crawford County, in his sole discretion and to the extent permitted by applicable law, has authority on behalf of the City to refuse to record any document which, in his opinion, the tax hereby imposed applies and which does not have the stamp provided for in Section 351.06 imprinted or stamped thereon.

(Ord. 1931 § 1. Passed 3-9-87.)

357.02 DEFINITIONS.

Whenever used in this article, the following terms shall have the following meanings:

- (a) "Base year" means the year in which an application is filed. Applications for exemption shall be processed and, if appropriate, granted in accord with the terms of this article as they existed on the day of the filing of such application. Subsequent amendments to this article, if any, shall not apply to applications filed prior to the effective date of any such amendments.
(Ord. 1931 § 2. Passed 3-9-87.)
- (b) "Deteriorated area" means all of those areas within the City which are within zoning classifications of C-1 Commercial, C-2 Commercial and I-2 Industrial, as the same may be amended or expanded from time to time. For the purpose of this subsection, the terms "deteriorated area", "deteriorating area" and "investment opportunity area" shall be interchangeable and shall be deemed to apply to the entire City.
(Ord. 2028 § 1. Passed 2-14-94.)

- (c) "Commercial and industrial improvements" means the repair, construction or reconstruction, including alterations and additions, having the effect of rehabilitating a deteriorated commercial or industrial property so that it becomes habitable or attains higher standards of safety, health, economic use or amenity, or is brought into compliance with laws, ordinances or regulations governing such standards. New construction of industrial, commercial or other business properties by individuals, associations or corporations within the designated investment opportunity area shall be deemed to be a commercial improvement. Ordinary upkeep and maintenance shall not be deemed to be a commercial improvement.
- (d) "Deteriorated property" means any industrial, commercial or other business property owned by an individual, an association or a corporation and located in the designated investment opportunity area, or any such property which has been the subject of an order by any government agency requiring the unit to be vacated, condemned or demolished by reason of noncompliance with laws, ordinances or regulations.
- (e) "Exemption" means the exemption from taxation provided pursuant to the terms of this article. The exemption provided pursuant to the terms of this article shall be the exemption for tax purposes from the total assessed value of any subject property of that portion of the assessed value attributable to improvements for which an exemption has been granted by the appropriate assessment authorities under the terms hereof. The actual cost of any improvement shall be relevant to the exemption only to the extent that appropriate assessment officials consider the actual cost of such improvements in determining the assessed value of the subject premises. In no event shall any exemption of assessed value exceed the actual cost incurred in the making of any improvement regardless of whether the subject improvement increases the assessed value of the premises by a sum in excess of the actual cost of the improvement.
- (f) "Improvement" means commercial and industrial improvements as defined herein. (Ord. 1931 § 2. Passed 3-9-87.)

357.03 GRANT OF EXEMPTION.

From and after the effective date hereof, and subject to the limitations hereinafter stated, there is hereby exempted from real property taxation the assessed value of all commercial and industrial improvements made within the corporate boundaries of the City. (Ord. 1931 § 3. Passed 3-9-87.)

357.04 LIMITATIONS.

The exemption granted pursuant to the terms of this article shall be limited as follows:

- (a) Assessed Value. The exemption hereby granted shall apply only to the assessed valuation of improvements and in no case shall exceed the actual cost of the subject improvement.
- (b) Damaged Properties. In the event of improvements to properties damaged by fire or other casualty after the effective date hereof, only so much of the assessed value of improvements actually incurred which would cause the assessed value of the improved structure to exceed the assessed value of the structure in the tax year immediately preceding the casualty shall be subject to exemption.

- (c) Commercial and Industrial Limitation. All exemptions granted as the result of commercial or industrial improvements shall be limited. For the first year for which such improvements would otherwise be taxable, one hundred percent (100%) of the eligible assessment shall be exempted; for the second year ninety percent (90%) of the eligible assessment shall be exempted; for the third year eighty percent (80%) of the eligible assessment shall be exempted; for the fourth year seventy percent (70%) of the eligible assessment shall be exempted; for the fifth year sixty percent (60%) of the eligible assessment shall be exempted; for the sixth year fifty percent (50%) of the eligible assessment shall be exempted; for the seventh year forty percent (40%) of the eligible assessment shall be exempted; for the eighth year thirty percent (30%) of the eligible assessment shall be exempted; for the ninth year twenty percent (20%) of the eligible assessment shall be exempted; for the tenth year ten percent (10%) of the eligible assessment shall be exempted; after the tenth year the exemption shall terminate absolutely and the entire assessed value of the property, including all improvements previously subject to exemption pursuant to the terms of this article shall be fully taxable. (Ord. 1931 § 4. Passed 3-9-87.)

357.05 NONRECOGNITION.

No improvements granted exemption pursuant to the terms of this article shall, during the period of exemption granted pursuant to the terms hereof, be considered as a factor in assessing other properties. (Ord. 1931 § 5. Passed 3-9-87.)

357.06 NOTICE TO TAXPAYERS.

All building permit applications for commercial or industrial construction issued by the Office of the Building Inspector shall, from and after the effective date hereof, be accompanied by a written notice to the applicant of the existence of the Economic Revitalization Tax Assistance Plan and of the procedures necessary to obtain exemption in accord with the terms of this article. (Ord. 1931 § 6. Passed 3-9-87.)

357.07 PROCEDURE FOR OBTAINING EXEMPTION.

(a) Any taxpayer desiring tax exemption pursuant to the terms of this article shall apply in writing upon a form approved by the Office of the Building Inspector at the time such taxpayer secures a building permit for an intended improvement. A copy of the exemption application shall be forwarded by the Office of the Building Inspector to appropriate assessment officials of Crawford County. The appropriate assessment officials of Crawford County shall, after completion of the improvement, assess separately the improvement and shall calculate the amounts of the assessment eligible for tax exemption pursuant to the terms of this article. Notice of the determinations of the assessment officials shall be given to the taxpayer and to all interested local taxing authorities. Such notice shall state the amount of the assessment eligible for exemption. Appeals from the assessment for the determination of the amount eligible for exemption may be taken by the taxpayer as provided by law for general assessment appeals. The limitations upon exemption and the schedule of taxes exempted existing at the time of the grant of the building permit and the receipt of the application for exemption shall be applicable to that exemption request and subsequent amendments to this article, if any, shall not apply to requests initiated prior to the effective date of such amendments.

(b) County assessment officials shall be advised of the completion of construction by the appropriate City building or housing inspection personnel. Notice of completion shall be in writing and shall contain a certification that the completed construction complies with all applicable building, plumbing, fire, land use and related laws, rules and regulations applicable to structures within the City. No exemption shall be granted to any property which is not certified to be in compliance with all applicable laws, rules and regulations. Failure to complete construction within one year after the date of the issuance of the building permit shall not operate to extend the applicable exemption period. Exemptions shall only be applied to improvements for a period of three years beginning with the year following the year in which the building permit authorizing such improvements was issued.

(Ord. 1931 § 7. Passed 3-9-87.)

357.08 FORFEITURE OF EXEMPTION.

Any owner of real estate who shall have been granted an exemption from real estate taxation under the provisions of this article and shall, during the period the real estate is exempt or partially exempt from taxation, secure a reduction in the assessed valuation of the property subject to the exemption through an appeal of the assessment, shall thereupon forfeit their entitlement to exemption and be subject to taxation.

(Ord. 2076. Passed 12-27-97.)

357.09 SUNSET PROVISION.

This article shall be in effect for a period of three years from the effective date hereof. All applications for exemption filed prior to the termination date hereof shall be processed and, if appropriate, approved for exemption in accord with the terms and limitations hereof notwithstanding the termination of the effectiveness hereof prior to the expiration of any exemption granted pursuant to such applications.
